All Novanni Pro sinks with a 3 1/2" drain opening include an all metal stainless steel strainer. The distinctive crumb cup features a patented two step feature that allows the cup to be raised to allow water to drain then be easily pushed down to seal the drain completely.

SynkSeal™

Novanni has developed a unique formed in place foam gasket installed in our factory. This anti-microbial, anti-fungal material saves the installer valuable time during installation. This foam gasket guards against potential water damage to the countertop.

Off-the-Bowl clips for ease of installation.

In keeping with our policy of continuing product improvement, Novanni Stainless Inc. reserves the right to change product specifications without notice.
